

HISTORY OF THE MARINE CORPS LEAGUE

Honorary National Commandant - General Alfred M. Gray Jr., USMC (Ret) 29th CMC

National Commandant - James R. Laskey

National Executive Director - Michael A. Blum

Mission Statement

Members of the Marine Corps League join together in camaraderie and fellowship for the purpose of preserving the traditions and promoting the interests of the United States Marine Corps, banding together those who are now serving in the United States Marine Corps and those who have been honorably discharged from that service that they may effectively promote the ideals of American freedom and democracy, voluntarily aiding and rendering assistance to all Marines, FMF Corpsmen and former Marines and FMF Corpsmen and to their widows and orphans; and to perpetuate the history of the United States Marine Corps and by fitting acts to observe the anniversaries of historical occasions of particular interest to Marines.

History

The Marine Corps League perpetuates the traditions and spirit of ALL Marines and Navy FMF Corpsmen, who proudly wear or who have worn the eagle, globe and anchor of the Corps. It takes great pride in crediting its founding in 1923 to World War I hero, then Major General Commandant John A. Lejeune. It takes equal pride in its Federal Charter, approved by An Act of the Seventy-Fifth Congress of the United States of America and signed and approved by President Franklin D. Roosevelt on August 4, 1937. The League is the only Federally Chartered Marine Corps related veterans organization in the country. Since its earliest days, the Marine Corps League has enjoyed the support and encouragement of the active duty and Reserve establishments of the U. S. Marine Corps. Today, the League boasts a membership of more than 76,000 men and women, officer and enlisted, active duty, Reserve Marines, honorably discharged Marine Veterans and qualified Navy FMF Corpsmen and is one of the few Veterans Organizations that experiences increases in its membership each year.

The Marine Corps League is headed by an elected National Commandant, with 14 elected National Staff Officers who serve as trustees. The National Board of Trustees coordinates the efforts of 48 department, or state, entities and the activities of over 1000 community-based detachments located throughout the United States and overseas. The day-to-day operations of the League are under the control of the National Executive Director with the responsibility for the management and direction of all programs, activities, and affairs of the Marine Corps League as well as supervising the National Headquarters staff.

The prime authority of the League is derived from its Congressional charter and from its annual National Convention held each August in different major U.S. cities throughout the nation. It is a not-for-profit organization within the provisions of the Internal Revenue Service Code 501(c) (4), with a special group exemption letter which allows for contributions to the Marine Corps League, its Auxiliary and subsidiary units, to be tax deductible by the donor.

History of the Marines' Hymn

"From the Halls of Montezuma to the Shores of Tripoli"

America declared war on the Barbary Pirates of northern Africa in 1805 because they had been raiding our ships in the Mediterranean Sea. During that conflict, Lieutenant Presley N. O'Bannon, USMC, and his small force of Marines participated in the capture of the city of Derne in Tripoli (which is today part of the country of Libya). As this was the first time that the American flag had been hoisted over a fortress in the Old World, the Colors (ceremonial flag) of the Marine Corps were inscribed with the words: "To the Shores of Tripoli." During the hardest

fighting of the Mexican War, U.S. Marines were the first to breach the otherwise impregnable walls of Mexico City by capturing the Castle of Chapultapec, which was the palace of the great Aztec emperor, Montezuma. The Colors of the Corps were then changed to read "From the Shores of Tripoli to the Halls of Montezuma." Following the close of the Mexican War came the first great verse of the Marines' Hymn, written according to tradition by a Marine on duty in Mexico. For the sake of euphony, the unknown author transposed the phrases in the motto on the Colors so that the first two lines of the Hymn would read: "From the Halls of Montezuma to the Shores of Tripoli." Many interesting stories have been associated with the Marines' Hymn. One of the best was published in the Stars and Stripes, the official newspaper of the American Expeditionary Force in Europe, under the date of August 16, 1918. "A wounded officer from among the gallant French Lancers had just been carried into a Yankee field hospital to have his dressing changed. He was full of compliments and curiosity about the dashing contingent that fought at his regiment's left. 'A lot of them are mounted troops by this time,' he explained, 'for when our men would be shot from their horses, these youngsters would give one running jump and gallop ahead as cavalry. I believe they are soldiers from Montezuma. At least, when they advanced this morning, they were all singing 'From the Halls of Montezuma to the Shores of Tripoli.' The Marines' Hymn has been sung and played in all four corners of the earth and today is recognized as one of the foremost service songs.

The Marines' Hymn
 "From the Halls of Montezuma
 To the Shores of Tripoli;
 We fight our country's battles
 In the air, on land, and sea;
 First to fight for right and freedom
 And to keep our honor clean;
 We are proud to claim the title
 Of United States Marine.
 Our flag's unfurled to every breeze
 From dawn to setting sun;
 We have fought in every clime and place
 Where we could take a gun;
 In the snow of far-off Northern lands
 And in sunny tropic scenes;
 You will find us always on the job
 The United States Marines.
 Here's health to you and to our Corps
 Which we are proud to serve
 In many a strife we've fought for life
 And never lost our nerve;
 If the Army and the Navy
 Ever look on Heaven's scenes;
 They will find the streets are guarded
 By United States Marines"
